RACE DATES

BRC George Richardson AUG 13

Reptile Gulch Motors Slaty Creek AUG 20

AV Coliban Relays Harcourt AUG 20

Norm Kennedy King of the Mount. AUG 27

Only 8 weeks to go, and at last the weather is more like cross country! There might even be water in the crossings at Slaty Creek.

The Club has finally filled all the vacant BRC positions - with Jenny Bourke and Chris Ruddick our new delegates and Kelly Ruddick our track representative. They join the existing team of Ken, Vin and Alistair. I am sure Jenny will keep those BRC meetings on track and short !

The committee has agreed to a Community VCAL group using our Clubrooms on Tuesdays, Wednesdays and Thursdays between 9.30am and 3pm. This will be for a trial period of one month. As well as paying a weekly rent for the building, they have offered to do some small projects, such as building shelves etc. We are also having discussions with the Ballarat Triathlon Club, who would like to store equipment and use the rooms infrequently. Again, there should be some mutual benefits coming from this. As far as the Clubrooms are concerned, some needed plumbing work will be looked at and should be completed

shortly, we hope. In particular, the mens
urinal and a few downpipes will be
replaced.

Life Member, Russell Bourke has become
'reinvigorated' and is putting together a
book of cross country facts / results since
1991. Ditchy is being of enormous
assistance in this.

On that note, if anyone can help with
the contact details of the following
Life Members, could you please let me
know. They are: Mrs W. Kinnersley, Mrs
J. Pratt, Merle Grundy and Norm
Pinney. thankyou.

It has also come to my attention that,
we have 9 keys to the Clubrooms, but
only 6 can be accounted for. If you are
in possession of one could you please
let me know this , so that our records
can be updated.

In the mean time , keep on running,
with as large as possible attendances
for the next few weeks !
news from the top ...

VALE

KRIS HAMMOND

It is with sadness that we note the recent passing of Kris Hammond.

Kris was always there to help with afternoon tea

She was a quiet member of the Club community who was always willing to help
behind the scenes.

Our thoughts are with Terry and Tracey, Laurie
and Sharon.

thankyou to Ron Finn
who won the
Eureka Club Powerball ticket
and donated the \$50 back to the Club
