CROSS COUNTRY, OFF and RUNNING

CLUB PRESIDENT - Heather Kearle

The cross country season has begun although the weather still seems to be on Track Time ! We have had some great turnouts to all the runs so far and trust this will continue through the season.

The committee has increased in numbers this year which means the workloads are being lightened for everyone.

However we still require two willing club members to share the position of representing the club on the board of the BRC. This means attending BRC meetings on the 4th Monday of each month.

This is where we have the one and only opportunity to express our point of view as to the direction of the BRC, in both track and cross country.

If this interests you, or you have any other concerns or suggestions regarding the club, please come and chat to myself or other members of the committee, put it in writing, or better still, come along to the club meetings - 1st Tuesday of every month at the Clubrooms.
yours in running,

Heather

TRIVIA NOT TRIVIAL

Saturday nights Trivia Night was a great success, raising approx. \$1000. Unsurprisingly the Ruddick table swept all before them in the music round with 15 out of a possible 16, but the winning table ran away to finish with a large lead.

thankyou to all involved, specially the sponsors: City Oval Hotel, Phoenix Brewery, YMCA,

Sebas. Bowling Club, Irish Murphy's Red Lion Hotel and JD's BAR Lydiard St.

Michael Hart won the \$50 voucher from Sebas. Bowling Club and Ken Hall walked away with the very old club port !
